

## *Collaborative Business Relationship Policy*

Gülermak provides construction and contracting services all over the globe.

Collaborative working in business activities is a core value in Gülermak and is recognized as essential in delivering projects to our customers, with the highest standard and excellent results.

Gülermak has established a set of objectives with the purpose of developing Collaborative Business Relationship:

- We are committed to the vision of consistently providing the best value for our business partners, customers, stakeholders, colleagues, supply chain, and the communities in which we operate.
- We are committed to consider the expectations of our partners, stakeholders and supply chain in the greatest regard, complying with the values and standards of Gülermak, and applicable requirements, always acting professionally in an open and honest manner.
- We are committed to maintain, review, and continually improve our business management processes for collaboration.
- We are committed to achieve all mutually agreed objectives with all those who have a business relationship with us.

This policy applies to all operations of Gülermak. Efficient and successful implementation of this policy requires the cooperation, commitment, and involvement of all employees of Gülermak.

This policy is reviewed at least annually to ensure continuing validity and revised as often as may be appropriate.
